What is It?

You direct the state of Arizona to give money towards an extracurricular activity at a public school.

How?

All you have to do is write a check or pay by credit towards an extracurricular Activity and the State of Arizona will pay you back! It ends up costing you \$0!

Why?

The State wants to make sure you support tax dollars going towards extracurricular activities. By making a payment, you are saying YES! Then the State will refund you the \$.

How Much?

\$200 for an individual, \$400 for a couple!

How will I get the Money Back?

You are guaranteed to get every penny of the money back with your taxes!

What if I don't have \$400 in my checking account? You can pay by credit card and then when you get your money back, pay the credit card. It costs you nothing!

You are telling the state to give more money to the Schools!

This sounds almost too good to be true!

It is, we need to take advantage of this opportunity before it disappears!
