- **Best Facility for Tournament Basketball.** Three separated courts in one location: No inadvertent whistles or loose basketballs. There is a wall of bleachers between each court. Each court is college regulation length and feels like its own gym has its own full wall scoreboard and clock. Just like a season game. No side courts like most tournaments.
- **Games will be close together in times.** Play, Sit, Play. We value your time!
- **See all levels play on the same weekend.** Varsity, JV, Freshmen.
- **Certified Officials:** The officials are either college or high school certified officials.
- **Play different schools:** Region alignment and school size is taken into consideration in scheduling.
- Know entire schedule a month before playing. **You will receive your game schedule 3-4 weeks before 1st game.**
- **Low Cost with High Quality.** Only \$220 per team, we are confident that you will not find a better value.
- **Concession stand available.**
- **Hospitality room** for coaches and officials.
- **Great location:** Next to shopping malls, hotels, dining places, etc.
